AN iACT COURSE

# RISING EVIL: THE NAZI CAMPAIGN AGAINST THE JEWS

You know the history of the Holocaust, right? The persecution of the Jews...the ghettos...the death camps – you’ve heard it all.

Not so fast. iACT@wiesenthal.com is offering a fascinating, in-depth look at the rise and fall of the Nazi regime and their systematic attempt to destroy Europe’s Jewish communities.

The secret meetings hatching the plot...the frenzied speeches whipping up hatred...the vicious propaganda against the Jews – we’ve got the inside scoop on this horrific explosion of evil in our special course *Rising Evil: The Nazi Campaign Against The Jews*.

We’ll focus on two comprehensive historical texts – William Shirer’s *The Rise and Fall of The Third Reich*, and *Nazi Germany and The Jews: Volume 1: The Years of Persecution 1933-39* by Saul Friedlander.

Each week, we’ll gather to read passages from our texts then dive into an in-depth – sometimes provocative, always informative -- discussion about the issues raised.

iACT is offering this course FREE of charge every Thursday from 12-1 pm. We’ll be hanging out at the Simon Wiesenthal Center and space is limited, so register today.
