

U.N. Bank - 42nd St., Manhattan, NY - 11:00am

TELLER: Hello... this is an emergency!!! I'm calling from the United Nations Bank. Two terrorists are in the Bank threatening to kill us if we don't give them our money. Please send help!

POLICE DISPATCHER: Let me repeat that. Two terrorists, did you say United Nations Bank on 42nd Street?

TELLER: Yes!

POLICE DISPATCHER: I'll dispatch two policemen immediately.

TELLER: Did you say TWO policemen?!?!

POLICE DISPATCHER: I'm sorry, that's the law, you guys should know it's UN document A/HRC/12/48 – the Goldstone Report about using Disproportionate Force – since there are two terrorists we can only send two policemen!
GOOD LUCK!
